(Exploring Opportunities: A Journey Through Our School Internship Program)

The school internship program stands as a cornerstone of experiential learning, offering students a gateway to the practical application of theoretical knowledge. Any teacher education course seeks to train teacher having requisite teaching skills. Practicum approach adopted in the modern teacher education course is to place a student teacher in a classroom situation under the supervision of a qualified teacher.

The aim of internship program is to incorporate teaching skills among the student teachers. Internship program is an effective way to give training to the student-teachers about real world of work. It gives them an opportunity to integrate theory and practice, plan and deliver lessons properly, critically analyse their own and peers teaching styles and improve them in the light of feedback given by supervisors. Through this program they understand the role and responsibilities of professional teachers

Internship program also give them opportunity to understand different aspects of school program and improve their skills and abilities in teaching profession. An effective and improved internship program is required in developing student-teachers' personalities as true professionals in field of education.

Our Teaching Practice Program is designed to provide aspiring educators with hands-on experience and practical skills to excel in the field of education. Through a combination of classroom instruction, mentorship, and real-world teaching opportunities, our program prepares future teachers to inspire and educate the next generation of learners.

At Mar Baselios College of Education, Sulthan Bathery, we believe in fostering a supportive and collaborative learning environment where students can develop their teaching abilities, build confidence, and make a positive impact in the lives of students. Our experienced faculty and dedicated mentors are committed to guiding and empowering aspiring educators on their journey to becoming effective and compassionate teachers.
