How thinking about thinking helps the thinking of a child

We are living beings who specialise in thinking and knowing. It shapes us along with the possible influence of the people and environment we live in. Metacognition, the process of thinking about thinking is a cornerstone in brain development. It enhances self-awareness, allowing children to recognise their strengths and weaknesses, and building resilience. Reflective thinking brings autonomy to learning in children. When can we begin to nurture our inner self, if not in school days? When children hit difficult problems – a maths test, a science project, or bullying from peers, their temptation to escape from

it or the thought 'I can't do it' comes to the fore. A bad feeling can easily turn into negative self-talk. But a moment to reflect on our issues is enough to turn weak

thoughts into something positive like, "How can I do it?" It's like turning a frown into a smile! And we can sow the seeds for a garden of smart, independent, and successful learning that will grow and grow, without being late.

UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursal of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s),
- Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA.
